W2-2 How to ask better questions Mike Vaughan
You'll have more questions than answers.

⇒ Decision Making is a world issue
what to think comes after how to think
and how to think comes after why to think.

→ Teach / learn how to think. If teacher is
how to learn.

How to learn? → Read, write, experience, teach, listen
Practice,

Guess guess guess

Guess is not decision

Conflicts happens cause of different perspective.
Long term goals are more important.

A good question will make you productive
and expose our bias & beliefs

We need someone who can ask better questions
